HOME & GARDEN
PRO 500

The advertisement features a central illustration of a hand holding a spray nozzle, with a 360-degree rotation arrow indicating its flexibility. Above the nozzle, the text 'BY CANYON SPRAYER' is written in a curved path. Below the nozzle, three circular callouts labeled 'good 1', 'good 2', and 'good 3' list key features: popularity among gardeners, full utilization of the liquid, and high quality/durability. At the bottom, the product name 'HOME & GARDEN PRO 500' is prominently displayed. A small scissors icon is positioned at the top right corner of the advertisement frame.
